MEMORANDUM FOR: Dingbats

1. The DCI has decreed that the Summary section of the CIWR be included in each Friday's Brief as an Annex. We will have to clean it up and retype it in something approximating our format. (Omit Special Report citations and area notes). Include as an item "Annex _____ is the Weekly summary". (Capital W, small s).

2. We should attach a note to each copy of the first issue this Friday, to explain what the beas: is to the staff assistants.
